

COSTA MESA HIGH SCHOOL FOUNDATION

March 2019

Dear CMHS Parents,

Sixteen years ago Costa Mesa High School was given a unique gift that helps provide opportunities for our students – an endowment of \$1 million. Every year, when that money has grown, funds are made available for teachers to apply for grants to enhance the experiences and education of our CMMS/HS students. The Costa Mesa High School Foundation oversees and directs this process. We would like to invite you to become more involved.

Strange as it may sound, the proceeds from a \$1 million endowment can be distributed quickly. The Foundation supports a wide range of student needs, from trips and equipment, to offsetting the cost of mental health services for kids in need. All Foundation support goes to activities and programs available to every student. If we are to help meet the growing demands on our students today, we also must grow.

For this reason, on behalf of the Costa Mesa High School Foundation, we would like to invite you to attend our next Board Meeting, to learn more about how our parents and community help us make every opportunity we can possible for our students.

Help us ensure that no student has to say no to an opportunity to try something new, an opportunity to fail and learn, and try again, an opportunity to do something that may change their life. Your involvement will help give students what they would otherwise have to go without.

Thank you for your consideration, and we look forward to seeing you on Monday, April 15 at 5:30 PM.

Sincerely,

Debi Wanbaugh – President
Ian Delzer – Vice President
Debbie Krohnfeldt – Secretary
